Website	<a href="http://www.ue.katowice.pl">www.ue.katowice.pl</a>
Brief description of the partner:	<p>University of Economics in Katowice was founded in 1937. It is the only public higher education institution teaching economics in the Upper Silesia and one of the most prestigious universities in Poland. Each year about 15.000 students study here, attending the lectures and seminars conducted by 480 academic teachers. Special emphasis is put on the development of academic competencies and external cooperation in all of its degree programs.</p> <p>UEK cooperates successfully with higher education institutions and enterprises operating in European Union, Central and Eastern Europe and non European countries. It belongs to many international networks. UEK has undertaken many initiatives concerning European integration, creating common cooperation areas for education and research through coordination or acting as a partner of the following European programmes: Erasmus, Leonardo da Vinci, CEEPUS, Interreg, European Social Fund, Scholarship and Training Fund, 7th Framework Programme, etc.</p> <p>UEK signed over 180 Bilateral Agreements with foreign universities and cooperates with almost 300 European enterprises. The university has a considerable experience in cooperating with business environment through a number of projects involving business representatives into preparing and delivering study programmes. Students are also offered many extra-curricular activities in cooperation with business, such as study visits in companies, workshops, internships and summer schools.</p>
